Report on IQAC

The meeting of IQAC was held four times during the year 2018 to enhance the quality of education in the institution. The experts and members of the cell discussed about quality enhancement of the college as per NAAC criteria. Detailed discussions were held on enhancing professional competency of teacher educators and student teachers. Various activities were discussed and suggested.

Dates	Minutes of Meeting	Compliance
2 nd July 2018	Orientation programme to be planned for fresher's after considering the feedback from the previous orientation programme.	A three days orientation program was organised by the second year students and the staff members in small groups, introduced them to the college culture.
	The system of mentoring was discussed. It was suggested to make it flexible and to maintain the decorum of mentoring.	The staff members regularly met the students and they were helped through counseling.
	B. Ed syllabus was discussed and necessary changes were prescribed by the IQAC members.	Necessary changes were made in the syllabus after consulting the experts.
20 th August 2018	Planning was done to organize state level seminar.	Students who were weak in core teaching skills were identified and pedagogy teachers took the responsibility to prepare an action plan and implemented the same to improve the teaching skills of those students as remediation program.
