

Sarada vilas Teachers College

Procedures & policies for utilization of resources

2016-17

As per the regulations of NCTE and NAAC, our College has sufficient physical and practical facilities, which are maintained and used for effective teaching and learning. College also has Physics, Chemistry, Biology, Computer and Psychology laboratories and students make judicious use of this. We have a library having more than 22000 books with open access system and a good number of reference books, magazines, journals, periodicals and computers. This facility enables students to gain wisdom and is helpful for students and also for staff. Around 23 computers with the internet connection which makes students to search and learn and receive more and more information. The institution has play ground indoor and outdoor facilities. In college, each classroom is well ventilated with white and smart boards facilities. The college has a separate washroom, a restroom for female students.

The college has an independent campus full of greenery. Eco friendly campus is plastic free. Library provides seating capacity for our students with a great number of good books on literature, personality development, fiction along with text books and reference books.

The college provides a favourable atmosphere which instills the proper set of values and ideals needed to become a professional teacher of high standards. It has many best practices which enable student teachers to imbibe the competencies essential for teacher of future generation.

Bulletin board of “Chittachittara” provides a vent to the creative acumen of students. The college annual magazine “Bharathi” is being published since the inception of the college around 55 years.

The publications from various departments of pedagogic papers like manuscript magazines from Department of Kannada is “Dhatu”, Department of English is “Inspirere”, Department of Physics is “Vismaya”, Department of Chemistry is “Dravya”, from Department

of History is “Ithihasa Sankalana” .Wall papers are brought out by the various departments to create awareness about the current events.

National and international days of significance are celebrated with a view to instill values among student teachers.
