3. Recreational facility

At Sarada Vilas College, we believe in nurturing holistic development among our students. In line with this philosophy, every Friday, a dedicated two-hour slot is allotted for cultural programs, providing a platform for students to showcase their talents and creativity. During these sessions, students engage in a myriad of activities including drama, skits, singing, dancing, and folk dance performances. These cultural programs not only serve as a source of entertainment but also foster a sense of camaraderie and unity among the student community. To ensure the smooth conduct of these events, experienced cultural coordinators oversee the proceedings, guiding and supporting students in their endeavors. This nurturing environment encourages students to explore their artistic abilities and express themselves freely.
