**Outside accommodation on reasonable rent on shared or individual basis**

Finding affordable accommodations for students can be challenging and may vary widely. Our staff strives hard to help our students to find right accommodations on a reasonable rent on shared and in individual basis based on their preferences. Some of our students share the rent and stay together and some of them stay in Paying Guest (PG). We can see that though students stay in Rent house or in the PG or in the rooms the accommodations are reasonable on shared or individual basis.

### Annual Placement Cell Report, 2023

The report provides a detailed overview of the placement activities from placement cell. We have organized over 6 pre-placement talks where our staff and few experts shared their insights about their organizations and expectations from potential candidates. The resume from students were collected from the placement cell such that if there is any job opportunities provided we can contact the potential candidate and can arrange for the interview. We have also taken care to see that good numbers of students are placed to jobs through the placement cell.

Interviews to recruit the potential candidates were scheduled in-house campus where good number of students faced interview to have an exposure and experience in attending the interview. Some of the school heads who visited the college collected the student names from different pedagogies scheduled the interviews in their respective schools only and the students who were short listed were asked to give a demonstration at their school and the selection procedure continued thus providing employment to the needy and desired candidate in the teaching field.

Almost all students attended the interview when it was scheduled by different school personals such that they get an exposure. Thus Placement cell works actively all through the year.

The Placement cell scheduled the campus interviews dated 12/10/2023, by the Head of the Institution, St. Paul Mission High School, Hampapura, interviews scheduled at Rashtrtana High School, Mysore dated 10/11/2023.
