Placement Cell

Sarada Vilas Teachers college is one of the most prestigious college in the City of Mysore which provides quality education where most of its students graduated are placed as teachers worldwide ensuring a smooth transition and successful teaching career. We find most of our student teacher with masters' work as lecturer in Pre University College and some join as teachers in the neighbourhood schools reflecting on the quality of the training program with high placement rates.

The placement cell provides the placement services to assist students in finding teaching position after graduation. It is always recommended for students to actively engage with the placement services offered by the institution and to seek out opportunities for gaining teaching experience during their studies to increase their chances of being placed as teachers after graduation.

Annual Placement Cell Report 2018-19

The placement cell of our college works effectively and is a bridge between the students and the potential employers to provide career guidance, training and placement services to the students. The placement cell in our college typically functions by identifying the schools that match the academic background of our students.

The students are encouraged to develop capabilities and competencies that help them shape their career and stand apart in the crowd. We organize various activities and events that help our students develop essential skills and knowledge to secure a job in their desired field of teaching. We do provide campus recruitment drives and career –oriented programs to prepare students for their future careers.

The Sharada Vilas Boys School and Sharada Vilas Primary Schools have conducted interviews dated 30th and 31st October, 2019 and some of our students actively participated in the interview.

Interview at Sharada Vilas Boys School

Annual Placement Cell Report, 2020-21

Our college has an age old tradition of organizing the campus interviews and interviews off campus. Our students face interviews scheduled in campus and also off campus. In accordance to the school requirements and specific pedagogy subject the interviews are scheduled at Gopal Swamy Sishuvihara (GSS), where the eligible trained graduate and the final semester students attend the interview and are continually getting recruited every year for Pre University College and for the high school at GSS and we often have a good rapport with the school for its recruitment and also for providing us the school for internship programs. An interview scheduled at our Sharada Vilas Girls high school have also yielded fruitful results and recruited the teachers in subject science and Arts stream dated 23rd October, 2021.

The other recruitment details of different schools are often shared in the alumni groups of Sarada Vilas Teachers College group is also helping the alumni who is with no job to get recruited through the placement services provided by the placement cell.

Annual Placement Cell Report 2022-2023

The report provides a detailed overview of the placement activities from placement cell. We have organized over 6 pre-placement talks where our staff and few experts shared their insights about their organizations and expectations from potential candidates. The resume from students were collected from the placement cell such that if there is any job opportunities provided we can contact the potential candidate and can arrange for the interview. We have also taken care to see that good numbers of students are placed to jobs through the placement cell.

Interviews to recruit the potential candidates were scheduled in-house campus where good number of students faced interview to have an exposure and experience in attending the interview. Some of the school heads who visited the college collected the student names from different pedagogies scheduled the interviews in their respective schools only and the students who were short listed were asked to give a demonstration at their school and the selection procedure continued thus providing employment to the needy and desired candidate in the teaching field.

Almost all students attended the interview when it was scheduled by different school personals such that they get an exposure. Thus Placement cell works actively all through the year.

The Placement cell scheduled the campus interviews dated 12/10/2023, by the Head of the Institution, St. Paul Mission High School, Hampapura, interviews scheduled at Rashtrotana High School, Mysore dated 10/11/2023.

1. Career Counselling

Career counselling is a process that helps individuals identify and explore career options, make informed decisions about their future, and develop strategies to achieve their goals. It can be helpful at any stage of life, but it is especially beneficial for young people who are just starting out in their careers.

In Sarada Vilas Teachers College, there is a functional Placement Cell under which Career Counselling is done for the students. Normally a session on Career options in the field of Education will be held during the Induction Program in the beginning of the academic year keeping in view the various professional competencies to be developed so as to get teachers job in front-line or high-profile schools or colleges. Again another orientation on Career options will be done during the IV semester, once before and once after the Internship program so as to prepare the students for employment.

The Session will have the following:

1. Clarifying the Vision of the Session
2. PPP on the relevant issues
3. Interactive Discussion on each topic
4. Review / Questioning-Responding
5. Evaluation
6. Reporting
7. Follow-Up

The following issues will be discussed with students:

- What after B.Ed.? – Higher Education / Employment / Entrepreneurship (or) Self Employment
- Opportunities in Government School
- Opportunities in Private Grant-in-Aid Schools
- Opportunities in Private Non-Grant-in-Aid Schools
- Opportunities in Govt. Residential Schools – Morarji / Ekalavya etc
- Opportunities in Kendriya Vidyalaya National Sanghatan schools (KVNS)
- Selection exams: CET / TET conducted by NTA
- Professional Competences required for teaching profession

- Stages of Selection in Private Schools (Written test-Demonstration-Interview-Counseling)
- How to prepare CV / Bio-data / Candidate profile

Our carrier counseling initiatives, including TET classes and mock tests, have been pivotal in preparing our students for successful teaching careers. These classes are meticulously designed to cover all aspects of the Teacher Eligibility Test (TET) syllabus, ensuring our students are well-prepared for the examination.

We conduct regular TET classes, where experienced faculty members provide in-depth knowledge and strategies to tackle the TET. These sessions include comprehensive coverage of pedagogy, subject-specific content, and educational psychology. To further enhance the learning experience, we integrate interactive teaching methods, including group discussions, quizzes, and practical teaching sessions.

In addition to the classes, we organize periodic mock tests that simulate the actual TET environment. These tests help students gauge their preparation level, identify areas of improvement, and build confidence. Each mock test is followed by a detailed feedback session where faculty members provide constructive feedback and personalized guidance.

Our carrier counseling initiative has shown remarkable results, with a significant number of our students successfully clearing the TET and securing teaching positions in reputed schools. The initiative not only enhances their subject knowledge but also equips them with the necessary skills to excel in their teaching careers.

REPORT ON CAREER COUNSELLING

Our college has an age old tradition, in conducting career counselling for its students by conducting career counselling sessions and the college plays a vital service aimed at assisting students in making informed career choices, understanding their strength and interests and aligning them with potential career paths. The role of career counselling has become more active than ever in providing essential service to our students which support them in navigating their career paths and making informed decisions and by addressing challenges and implementing effective strategies, thus enhancing the impact of career counselling and preparing its students for the better workplace. The TET-CET course in the third semester helps our students in career counselling initiatives. The session covers all aspects of the Teacher Eligibility Test (TET) and CET ensuring our students to prepare well for the examination. The sessions also include a comprehensive coverage of pedagogy, subject-specific content and educational psychology to enhance the learning experiences and to integrate the teaching methods and to have group discussions, quizzes. The students are assessed by mock test, an internal test in CET/TET and by assigning the assignment work for all the students of III semester, which creates zeal in cultivating the habit of involvement and to getting stimulated to the actual TET environment. These tests not only help students gauge their preparation level, identify their areas of improvement, and build confidence but also prepares them for life. Each mock test is followed by a detailed feedback session where faculty members provide constructive feedback and personalized guidance. Our carrier counseling initiative has shown remarkable results, with a significant number of our students successfully clearing TET and CET by securing teaching positions in reputed schools. These initiatives not only enhance their subject knowledge but also equip them with the necessary skills to excel in their teaching careers.

Resume Preparation

Sarada Vilas Teachers College places a strong emphasis on resume preparation as an essential skill for our students' professional development. Our resume preparation workshops are designed to help students craft effective resumes that highlight their strengths, skills, and achievements, making them stand out to potential employers.

The workshops are conducted by experienced career counsellors and industry experts who provide insights into the latest trends and best practices in resume writing. Students are guided through the process of creating a professional resume, from choosing the right format to highlighting relevant experiences and skills. Emphasis is placed on the importance of tailoring resumes to specific job roles and including impactful action verbs and quantifiable achievements. During the sessions, students receive personalized feedback on their resumes and have the opportunity to participate in one-on-one consultations. These consultations allow students to refine their resumes further and ensure they effectively communicate their qualifications and potential to employers. The resume preparation initiative has been highly beneficial, with students reporting increased confidence in their job applications and improved success rates in securing interviews. By equipping our students with the skills to create compelling resumes, we enhance their employability and support their transition into successful teaching careers.
