It was a day’s program where all alumni and staff of our Alma mater participated actively. The Alumni of our college showcased “Reverence for their Teacher”, rendering thanks and showing gratitude for those teachers who shaped and carved their future.

For all those teachers who taught these students, who guided them in the right path, were felicitated and honored through showing vandhane to their entire guruvrundha. Teachers both retired and presently working of our prestigious college were felicitated and honored by the alumni. The alumni hosted by the members of alumni of 2012 batch students constructively. They recalled their days of stay in the college as students and explored their thoughts and their perspectives with respect to the institution.

. With lots of excitement all alumni participated actively in discussion, an interactive session was induced where teachers and alumni participated actively who shared the vision of our college, glimpses of memory and shared their thoughts and their experience in their workplace. An informal talk with the teachers was also a part of the programme.

Being a part of alumni community means being a part of excellence and innovations. This was proved to be right by the alumni of 2012 batch as they performed with different cultural programmes. Lunch and snacks was arranged for all the participants and the programme was productive. Alumni of our college handed over 30 chairs as a token of love to the college and the day ended as the sun gone down but the memories stayed in our hearts forever though we had to depart we still promised to meet again and again.
