Internal Quality Assurance Cell (IQAC) REPORT – 2021-22

In order to be progressive in aspects of education and moving on to the next levels of total quality management, there were two meetings of members of Internal Quality Assurance Cell (IQAC) of the college. Keeping in view continuous progress of academic processes and quality management mechanisms, the experts and members discussed a few issues which need to be addressed immediately.

Sl. No.	Dates	Minutes of the meeting	Compliance
1	22.02.2022	There is a need to evaluate the quality of all the different programs organised such as Practice in teaching, Community Living Camp, Tutorial, Tests, SUPW activities, Annual Sports meet etc. There is a need to rejuvenate the feedback mechanism.	Staff members who are in charge of the activities are oriented on feed back mechanisms to be used soon after conducting the programs and activities
		The different Cells such as Ant-ragging Cell, Women Anti-harassment Cell, Students Grievance Redressal Cell have to be made more active and functional throughout the academic year	The staff in charge of these cells has taken up necessary steps in this regard. All the students are well informed about the existence and functioning of the cells and were told to utilize the services of the cells
		Extended assignments and follow up activities have to be given outside the frame work of the prescribed content so that student teachers acquire all the skills needed for procure knowledge from all possible resources	Assignments and follow up activities at a higher level of application are given to students where in they gather information from sources in addition to library books
2	26.09.2022	There is an immense need to organise need-based academic programs and co-curricular activities with a modular approach so as to make the same more effective and focused on the vision and objectives. Te programs are – Induction program, Syllabus orientation, workshops on microteaching & Simulation Lessons, Communication Skills, demonstration lessons etc	Care is taken to see that every academic and co-curricular program are organised focusing on the vision and objectives. The vision, Objectives, Standard Operational Procedures (SOPs), Evaluation and feedback mechanism and reporting
		Curriculum Planning and review of each semester shall be done at least once in the beginning of the semester	Curriculum planning and review meetings have been organised in the beginning of the semester. Evaluation of
